[Download](#)

It's great to see that our new ARmedia plugin is now the only #augmentedreality featured in the Autodesk App Store for Autodesk 3ds Max! To download ARmedia plugins from the Autodesk App Store, go to the Store menu on your device and tap the Library icon . You can find ARmedia under the Libraries category, as well as the Extras section in each application folder. If you don't see ARmedia, try clearing the cache in the Applications menu and restarting your device. This module is free to use for 30 days so you can try it out for yourself.
